
PRODUCT INFORMATION

Extrafit Special Flexo Clean wb 2259

Water-based special cleaner for anilox rollers

FIELD OF APPLICATION

- For manual and automatic applications
- Cleaning of anilox rollers
- Also suitable for plates and other surfaces
- For water based inks, flexo inks and coatings

PROPERTIES

- Highly concentrated and corrosion inhibited
- Excellent washing power
- Economical application

APPLICATION

Recommended dilution with water: For automatic cleaning and for ultrasonic baths 1:10. For cleaning of metal parts and plates with low contamination 1:4. For cleaning of heavily contaminated machine parts with dried inks use 1:1. For extreme contamination pure application is also possible. Please make a pre-test on an unimportant area.

SPECIFICATIONS

- Alkaline acting
- pH value of 10
- non-flammable

CORRESPONDING PRODUCTS

| | |
|-----------------|--|
| Waterfit | Fountain additive for maximum productivity due to stable process |
| Washfit | Excellent wash to reduce paper waster and to realise short washing times |

STANDARD PACKAGING

- 1 LTR
- 5 LTR
- 200 LTR
- 1.000 LTR

Note: This technical description is intended to inform and advise you. It corresponds to our current state of knowledge. However, since the specific application depends on a number of factors over which we have no influence, no guarantee and liability for the pressure failure can be derived.
